CER, Instructor, Digital
Court Reporting 101

Tony Sirna

Senior Customer
Success Manager,
Legal, Verbit

From your perspective, why is digital court reporting important in the industry today?

Court Reporting
Virtual Summit

Questions

Why did you decide to launch a course to help others learn to be court reporters?

How is AI being incorporated into the court reporting industry a benefit? Is it the 'same' transcript being produced?

Court Reporting
Virtual Summit

Questions

How do you handle 'negative' feedback from the field and peers?

What business considerations are important if someone is interested in launching and expanding court reporting services and offerings?

Court Reporting
Virtual Summit

Questions

How do you go about pitching, marketing and 'selling' your court reporting services?
